

I Against I

Lamb of God

In the quest for the test to fulfill an achievement
Everybody's only in it all for themselves
When the fact of the matter is they just don't care
To extend a helping hand to anyone else
So tell me why, did you have to lie
And try to make me all confused about the U.S.A
When the fact of the matter is you just don't hear
To comprehend or understand a single word I say

I don't wanna have I go against I!
I don't wanna have I go against I!
Well let me tell you

The same old story, no factual glory
I against I against I against I against I
And I say I don't like it
And I know I don't want it
I against I against I against I against I
Almighty watching
Almighty watching
I against I against I against I against I
And I say I don't like it
And I know I don't want it
I against I against I against I against I

I said who's gonna tell the youth about the drugs
About the drugs, mugs, bugs, and the police thugs
About the rotten, stinkin' rackets and the fantasies
Around the nation
Around the nation
Oh what you gonna do?
I tell you the truth is looking straight at you
Oh baby, baby what you gonna do?
I tell you the truth is looking straight at you

I got a brass continental with a 300 Z
I got a color TV with a video too
I got a rest home in Jamaica with my fantasy for all my family
Around the nation

What you gonna do?
What you gonna do?
What you gonna do?
What you gonna do?
