

## Laid to Rest

### Lamb of God

If there was  
A single day I could live  
A single breath I could take  
I'd trade all the others away

The blood's on the wall  
So you might as well just admit it  
And bleach out the stains  
Commit to forgetting it  
You're better off empty and blank  
Than left with a single pathetic trace of this

Smother another failure  
Lay this to rest

Console yourself  
You're better alone  
Destroy yourself  
See who gives a fuck

Absorb yourself  
You're better alone  
Destroy yourself

I'll chain you to the truth  
For the truth shall set you free  
I'll turn the screws of vengeance  
And bury you with honesty  
I'll make all your dreams come to life  
And slay them as quickly as they came

Smother another failure  
Lay this to rest

Console yourself  
You're better alone  
Destroy yourself  
See who gives a fuck

Absorb yourself  
You're better alone  
Destroy yourself

See who gives a fuck  
See who gives a fuck  
See who gives a fuck

Failure

If there was a day I could live  
If there was a single breath I could take  
I'd trade all the others away  
I'd trade all the others away
