

## The Duke

## Lamb of God

No one lives forever but you can't escape from life  
Every day could be your last so consider your demise  
Mine has drawn so near  
Stare into the eyes of the end  
Reaping now without fear  
The time that's left to spend  
The time that's left to  
SPEND!  
The time that's left to

Look up in the night  
See it ride across the sky  
Hanging there above  
Far away but so nearby  
I am the smoke on the wind  
Burning in your eyes  
Cast aside an empty shell  
But I will never die

This world has grown too small, I can't stay much longer  
My body begins to fail as my spirit grows stronger  
It's time for me to go  
The circle closed as the snake eats its tail  
Lay my burden down  
Walking free beyond the veil  
The time that's left to  
SPEND!  
The time that's left to

Look up in the night  
See it ride across the sky  
Hanging there above  
Far away but so nearby  
I am the smoke on the wind  
Burning in your eyes  
Cast aside an empty shell  
But I will never die

I will never die!  
I will never die!  
I will never die!

Look up in the night  
See it ride across the sky  
Hanging there above  
Far away but so nearby  
I am the smoke on the wind  
Burning in your eyes  
Cast aside an empty shell  
But I will never die

I will never die!  
Never die!  
I will never die!
