

## Lullaby

Lamb

Always and forever  
We'll be free  
Always and forever  
Be with me  
We'll have love a'plenty  
We'll have joys outnumbered  
We'll share perfect moments  
You and me

Always and forever  
You will see  
Always and forever  
Just be with me  
We'll have love a'plenty  
We'll have joys outnumbered  
We'll share perfect moments  
You and me

You and me  
You and me
