All alone
In this heat m-yy thoughts
Start to wander

On my lonesome in this world My hands start to long for Your skin My mouth starts to long for Your kiss Your kiss

And the sun burns my skin
But it's outside and in, it's burning
Only you can soothe me
Come cool me down
I want you in my reach
Oh, the things I'd dooooooo to you
I touch you when I close my eyes

And the sun burns my skin
But it's outside and in, I'm burning
Only you can soothe me
Come cool me down

And the sun burns my skin
But it's outside and in, I'm burning
Only you can soothe me
Come cool me down

Oh! the sun burns my skin
But it's outside and in, I'm burning
Only you can soothe me
Come cool me down
