My Face Your Ass

Lambchop

```
ooh yeah, ooh yeah
I wonder what would happen
if the world was in a wire
and the wire was in a spiral
round a burning ring of fire
and I wonder what would happen
if the fire was on the wind
and the wire was getting slower
and the ring was on a chain
ooh yeah, ooh yeah
I'll show your punk rock ass
ooh yeah, ooh yeah
I'll show your punk rock ass
and I wonder what would happen
if the chain was on your neck
and the ring was on your finger
and the pile was in Quebec
and I wonder what would happen
if the world was in a wire
and the wire was in a spiral
round a burning ring of fire
ooh yeah, ooh yeah
I'll show your punk rock ass
ooh yeah, ooh yeah
I'll show your punk rock ass
