

## Never My Love

Lambchop

I've never been in love before  
And I've needed nothing, nothing more  
Than to be with you  
Make a sweet scene with you  
The chances I'm aware  
Are increasing now that there  
Is love  
Rob from always on the run is so bad and copy paste is a  
sin  
Love I've never thought about it  
Just some silly word that people use  
Love, my stupid love  
Has proved, that to be without it  
Would be a loser's bit  
Now that I get, the hang of it  
My love  
My love
