

Body Of Mine

Lambrini Girls

Who wears short shorts?
I wear short shorts
Just to try and be feminine
I got my eyebrows done, at a bottomless brunch
Just to try and fit in

If my gender is so radical
I'd rather be invisible
If I can never fit the mould

Call me the punchline
But when I identify
I'm the butt of the joke
How funny

Who wears short shorts?
I wear short shorts
Just to try and be feminine
Wonder what my pronouns are
Not that you would ever ask
But nothing ever seems to stick

If my gender is so radical
I'd rather be invisible
If I can never fit the mould

Call me the punchline
But when I identify
I'm the butt of the joke
How funny

Inbetween the lines
Of this body of mine
There must have been some mistake

Another grey area
Followed by dysphoria
Or maybe it's all just a cry for attention

Inbetween the lines
Of this body of mine
There must have been some mistake

If my gender is so radical
I'd rather be invisible
If I can never fit the mould

Call me the punchline
But when I identify
I'm the butt of the joke
How funny

Inbetween the lines
Of this body of mine
There must have been some mistake

Inbetween the lines

Of this body of mine
There must have been some mistake
