

# Cherry

Lana Del Rey

Darlin'  
I said real love, it's like feeling no fear  
When you're standing in the face of danger  
'Cause you just want it so much

A touch  
From your real love  
It's like heaven taking the place of something evil  
And lettin' it burn off from the rush  
Yeah, yeah

Darlin', darlin', darlin'  
I fall to pieces when I'm with you, I fall to pieces  
My cherries and wine, rosemary and thyme  
And all of my peaches (are ruined)

Love I said real love  
It's like smiling when the firing squad's against you  
But you just stay lined up  
Yeah, yeah

Darlin', darlin', darlin'  
I fall to pieces when I'm with you, I fall to pieces  
My cherries and wine, rosemary and thyme  
And all of my peaches (are ruined)

My rose garden dreams, set on fire by fiends  
And all my black beaches (are ruined)  
My celluloid scenes are torn at the seams  
And I fall to pieces  
I fall to pieces when I'm with you

(Why?)

'Cause I love you so much, I fall to pieces  
My cherries and wine, rosemary and thyme  
And all of my peaches (are ruined)

Mmm (Are ruined)  
Mmm (Are ruined)  
And I fall to pieces
