

# High by the Beach

Lana Del Rey

Boy, look at you, looking at me  
I know you know how I feel  
Loving you is hard, being here is harder  
You take the wheel  
I don't wanna do this anymore  
It's so surreal, I can't survive  
If this is all that's real

All I wanna do is get high by the beach  
Get high by the beach, get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye, bye  
The truth is I never  
Bought into your bullshit  
When you would pay tribute to me  
Cause I know that  
All I wanted to do is get high by the beach  
Get high baby, baby, bye, bye

Boy look at you, looking at me  
I know you don't understand  
You could be a bad motherfucker  
But that don't make you a man  
Now you're just another one of my problems  
Because you got out of hand  
We won't survive  
We're sinking into the sand

All I wanna do is get high by the beach  
Get high by the beach, get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye, bye  
The truth is I never  
Bought into your bullshit  
When you would pay tribute to me  
Cause I know that  
All I wanted to do is get high by the beach  
Get high baby, baby, bye, bye

Lights, camera, acción  
I'll do it on my own  
Don't need your money, money  
To get me what I want  
Lights camera action  
I'll do it on my own  
Don't need your money, money  
To get me what I want

All I wanna do is get high by the beach  
Get high by the beach, get high  
All I wanna do is get by by the beach  
Get by baby, baby, bye, bye  
The truth is I never  
Bought into your bullshit  
When you would pay tribute to me  
Cause I know that  
All I wanted to do is get high by the beach

Get high baby, baby, bye, bye

High-igh-igh-igh

High-igh-igh-igh

High-igh-igh-igh

High-igh-igh-igh

Everyone can start again

Not through love but through revenge

Through the fire, we're born again

Peace by vengeance

Brings the end
