

Money Power Glory

Lana Del Rey

You say that you wanna go
To a land that's far away
How are we supposed to get there
With the way that we're living today?

You talk lots about God
Freedom comes from the call
But that's not what this bitch wants
Not what I want at all

I want money, power and glory
I want money and all your power, all your glory
Hallelujah, I wanna take you for all that you got
Hallelujah, I'm gonna take them for all that they got

The sun also rises,
On those who fail the call
My life, it comprises,
Of losses and wins and fails and falls

I can do it if you really, really like that
I know what you really want, b-b-b-b-baby
I can do it if you think you like that
You should run, boy, run

I want money, power and glory
I want money and all your power, all your glory
Hallelujah, I wanna take you for all that you got
Hallelujah, I'm gonna take them for all that they got

Dope and diamonds, dope and diamonds, diamonds.
Dope and diamonds, dope and diamonds, that's all that I want.
Dope and diamonds, dope and diamonds, diamonds.
Dope and diamonds, dope and diamonds, diamonds.

I want money, power and glory
I want money and all your power, all your glory
Hallelujah, I wanna take you for all that you got
Hallelujah, I'm gonna take them for all that they got
