

Music to Watch Boys To

Lana Del Rey

(I like you a lot)
Putting on my music while I'm watching the boys
(So I do what you want)
Singing soft grunge just to soak up the noise
(Blue ribbons on ice)
Playing their guitars, only one of my toys
(Cause I like you a lot)
No holds barred, I've been sent to destroy, yeah

Pink flamingos always fascinated me
I know what only the girls know
Know what lies akin to me

I, I see you're going
So I play my music, watch you leave

(I like you a lot)
Putting on my music while I'm watching the boys
(So I do what you want)
Singing soft grunge just to soak up the noise
(Blue ribbons on ice)
Playing their guitars, only one of my toys
(Cause I like you a lot)
No holds barred, I've been sent to destroy, yeah

Velveteen and living single
It never felt that right to me
I know what only the girls know
Lies can't buy eternity

I, I see you're leaving
So I push record and watch you leave

(I like you a lot)
Putting on my music while I'm watching the boys
(So I do what you want)
Singing soft grunge just to soak up the noise
(Blue ribbons on ice)
Playing their guitars, only one of my toys
(Cause I like you a lot)
No holds barred, I've been sent to destroy, yeah

I live to love you
And I love to love you
And I live to love you, boy
I live to love you
And I love to love you
And I live to love you, boy

Nothing gold can stay
Like love or lemonade
Or sun or summer days
It's all a game to me, anyway

(I like you a lot)
Putting on my music while I'm watching the boys
(So I do what you want)

Singing soft grunge just to soak up the noise
(Blue ribbons on ice)
Playing their guitars, only one of my toys
(Cause I like you a lot)
No holds barred, I've been sent to destroy, yeah

Putting on my music while I'm watching the boys
Putting on my music while I'm watching the boys
