

This Is Not America

Lana Lane

This is not America - sha la la la la

A little piece of you
A little piece in me will die
This is not a miracle
For this is not America

Blossom fails to bloom this season
Promise not to stare too long
This is not America
For this is not the miracle

There was a time
A storm that blew so pure
For this could be the biggest sky
And I could have the faintest idea
For this is not America - sha la la la la

This is not America - sha la la la la
No - this is not - sha la la la la

Snowman melting from the inside
Falcon spirals to the ground
This is not a miracle
So bloody red tomorrows clouds

A little piece of you
A little piece in me will die
This could be miracle
For this is not America

There was a time
A storm that blew so pure
For this could be the biggest sky
And I could have the faintest idea
For this is not America - sha la la la la

This is not America - sha la la la la
No - this is not - sha la la la la
