

2 Sugars

Lancey Foux

Full English (61), 2 Sugars

Good 1NE, this 1NE

Good 1NE, this 1NE

Dodo, dah

I just poured the lean up by the litre, ok

I spilled the tea and bought some new machine

I fucked that little bitch, shit come clean

2 sugars with my tea

2 sugars with my tea

2 sugars with my tea

2 sugars with my tea

I know you couldn't sit with me

Drugs in my body so I stay going up

Fucking up my spleen so I stay throwing up

If you see her in the club, you know she came for us

I heard there's pagans outside trying to wait for us

Who are you?, yes I asked you

All I do is trap, fuck honeys and eat fast food (true)

I don't want little miss if she's eager

I'm a pretty prick, senorita

Baby boy, Yoko Ono, Tony Romo

I'm still selling Sonia off my dolo, Motorola

I wonder why my white girl calls my daddy? Trudy Jono

I'm still the 6th Jackson but I just went solo

Could I have a full English? and a Moschino fit, full vintage? and a light s
kin bird please wingless?

What else? I'm still thinking

Uh, can I have a pet monkey?, cause I know it'll still love me

If I make a mil give it to a junky cause I don't ever wanna see an addict gr
umpy

Then I have 2 sugars with my tea

2 sugars with my tea

2 sugars with my tea

2 sugars with my tea

I know you couldn't sit with me

Drugs in my body so I stay going up

Fucking up my spleen so I stay throwing up

If you see her in the club, you know she came for us

I heard there's pagans outside trying to wait for us

Give a fuck about your label

Give a fuck about your looms

I give a prestige ting wearing road runner boots

Fuck about a rapper I don't own none of you

Pour my sauce on a slapper cause she know what I do

Pause

Off the xans

On the lean

I got a plan

Good luck to me

I'm the man baby fuck with me

Put your stress down and your trust in me

She got a man but she leasing me

I'mma get a tan make a fridge for me

She get the Wang and Celine for me
Hush baby, don't you cry
Lancey pull up in a new ride
2 sugars, burgers and fries
Pull up in the coupe in the morning
Make you do a 1 and 2
Make you do a 3 and 4

Then I have 2 sugars with my tea
2 sugars with my tea
2 sugars with my tea
2 sugars with my tea
I know you couldn't sit with me
Drugs in my body so I stay going up
Fucking up my spleen so I stay throwing up
If you see her in the club, you know she came for us
I heard there's pagans outside trying to wait for us
