Make some money, she might be yours

Legs went up like the Lambo' doors

Legs controllin' a brand new Porche

Tell me, tell me more

Can't even shop 'cause I fucked up the stores

This much swag is against the law

Picked up an addiction to rockin' Dior

Sell me, sell me more

Spend the evening with a singer, she wanna be Rihanna

360 degrees when she takin' the picture, she wanna be a model

I'm fresh everyday like it's New Year's Eve and I might not see tomorrow

Rockin' McQueen

Gotta keep burnin' my eyes 'cause I gotta watch for the schemers

She gotta keep low 'bout her eyes if she wanna look at a demon, yeah-
