

DEAD & GONE

Lancey Foux

No, no, no, no (Ooh-ooh)
No, no, no, no (Yeah, yeah)
No, no, no, no (Ooh-ooh)
Yeah, no, no
It's Friend or it's Foux (Chyeah)

If I could read my future, ain't no way I would look
I'ma just follow my heart till the day that it stops
I saw my name in balance, no misplacing my foot
I ain't scared of no challenge, I'ma roll, I'ma rock
I ain't shaking no hands 'cause they can't take what I got
And no, he ain't my mans, he want my body to drop
Red dot like Japan, keep the Glock in my sock
They won't understand 'til I'm dead and I'm gone, yeah

I just sowed my seeds on the street, sesame
I just smoke this tree till the point I can't breathe
She said if I do her wrong, then that's it, she'll be leavin' (No-no-no-no)
It's obvious to see that she's obsessed with me
Every day is Halloween, scary hoes trick or treatin'
I run around, she run around, we run around doin' the most
I'm getting this money just like I'm supposed
I'm standing solid just like I'm supposed
'Cause if you don't, you fuck around, you fuck around, get smoked
Better speak or you choke
I said that I want it and I see it's coming now, it's coming now
I get high as the Lord, I ain't coming down, I ain't coming down, yeah
I know I'm living in my force 'cause we used to be poor
Switched the Peugeot for the Porsche
Peel off a pagan, like a purge
I told my killers, "Put on a show and don't you show no remorse"
I got angels, I got demons, in my ear
Lately, I just been fiending to disappear
I'm praying to the Lord and I'm kneeling, I hope he hear (I hope he hear, ye
ah)
I told him, "Sorry that I'm never scared" (Scared, no)
Baddest bitch with me, top tier (Yeah-yeah-yeah-yeah)
And I'm so sorry that I never cared (I never cared)
I popped the shroom and now my vision clear (My vision clear, yeah, yeah, ye
ah)

If I could read my future, ain't no way I would look
I'ma just follow my heart till the day that it stops
I saw my name in balance, no misplace in my foot
I ain't scared of no challenge, I'ma row, I'ma rock
I ain't shaking no hands 'cause they can't take what I got
And no, he ain't my mans, he want my body to drop
Red dot like Japan, keep the Glock in my sock
They won't understand 'til I'm dead and I'm gone, yeah

'Til I'm dead and I'm gone
They won't understand 'til I'm dead and I'm gone, yeah
'Til I'm dead and I'm gone
They won't understand 'til I'm dead and I'm gone, yeah
'Til I'm dead and I'm gone
They won't understand 'til I'm dead and I'm gone, yeah
'Til I'm dead and I'm gone
