

# LUVS KILLING ME SLOWLY

Lancey Foux

I forgot  
I feel like love's killing me slowly  
Yeah-yeah, love's killing me slowly  
Whoa, love's killing me slowly  
Yeah, love's killing me slowly, ooh  
Oh-oh, love's killing me slowly, yeah  
Ooh, love's killing me slowly  
I feel like love's killing me slowly, yeah

I don't want no more, I don't want no more  
I don't want no more, I don't want no more  
I don't want no more, I don't want no more  
I don't want no more, I don't want no more, yeah-yeah

Calling my phone at four in the morning, she wanna make it sexy  
for me  
She wanna take me to euphoria, she wanna, yeah-yeah  
She want me to take her to somewhere so she can be a foreigner  
Military time, walking the streets like a warrior  
If she fell in love, call the coroner  
All of this fake love got me stressed out, got me pouring up, y  
eah-yeah  
I see blood in my tuss and it remind me I'm good on my own  
2-CB, two tabs and the mushrooms, I'm in my zone

I feel like love's killing me slowly  
I feel like love's killing me slowly  
Yeah, love's killing me slowly
