

Lasso

LANCO

Tonight, I'm a cowboy
You're Annie Oakley
Heard ya got a quick draw
What ya got to show me?
There's a big ole dance floor
Hope it's big enough
To ride all night long, better saddle up

Let me pull ya in tight in the neon light
Hips movin', body swayin'
Movin' left and then right on a Saturday night
Shakin' what ya mama gave ya
Ropin' me in
Hey
Ain't lettin' me go
Ho
Spinnin' round and round and round and round
Like a lasso

We can do the two-step
A little do-see-do
In this honky tonk rodeo
I might be some cowboy
That you soon forget
I might just be your ride off into that sunset

Let me pull ya in tight in the neon light
Hips movin', body swayin'
Movin' left and then right
On a Saturday night
Shakin' what ya mama gave ya
Ropin' me in
Hey
Ain't lettin' me go
Ho
Spinnin' round and round and round and round
Like a lasso

I said hey
Hey
Let me see ya throw it
Yeah, round and round, baby, keep on goin'
Lasso, oh, oh, oh, oh
Oh, oh, oh, oh, oh
Woah, oh, oh, oh, oh

Let me pull ya in tight, yeah, you know what I like
Hips movin', body swayin'
Movin' left and then right on a Saturday night
Shakin' what ya mama gave ya
Ropin' me in
Hey
Ain't lettin' me go
Ho
Spinnin' round and round and round and round
Like a lasso
