

## 2 Ships

Land of Talk

Two Ships go down off the coast too far  
Almost drown off the coast too far  
Shaky shoreline keeps you near and far  
At the same time, don't know where you are

Sellin' souls and skin while we undress  
Beauty of the swim what we do best  
That's not why I'm here; to kiss your eyes  
Simply to be near; I miss your eyes

It's sexy, it's dirty, disturbing  
All I am

Two Ships go down off the coast too far  
Almost drown off the coast too far  
Shaky shoreline keeps you near and far  
At the same time, don't know where you are

Sellin' nature's (sand?) it makes me (needy?)  
All the sense of it, it makes me scream  
That's not why I'm here; To kiss your eyes  
It's simply to be near; I miss your eyes

It's sexy, it's dirty, disturbing  
All I am

It's creepy x 32
