

## Love in 2 Stages

Land of Talk

Was around tide  
At night you'd see it.  
Wasn't my fear.  
That is not there.  
It wasn't my fear  
'Cause I dig deep.  
Why don't you?  
I dig deep  
Why don't you?

It was a rager  
idle night now.  
Wouldn't look in.  
Wouldn't look into your eyes.  
I wanna feel.  
Understand.  
Why don't you?  
I dig deep.  
Why don't you?

'Cause I love in two stages  
There's the eyes  
There's the quarter drop  
Yeah, I love in two stages.  
I love in two  
Yeah, I love in two stages  
There's a kiss  
There's a quarter drop  
Would I lie?  
(Who's afraid, you?)

It's around tide  
At night you'd see it  
It wasn't my fear  
It is not there  
It was never my fear  
'Cause I dig deep  
Why don't you?

'Cause I love in two stages  
There's your eyes  
There's a quarter drop.
