

i had to break from breath of stone
would have been cold and happy then
but to break it from its mold
it lacked the long and wavering
leave it a stain, my second chance
bleaches it cold, not happy then
and to turn it to his home
the lover we were torn from
stay with it
on second hand
bring it back to one night
gets outta line
leave with it
don't be a better man
no harm can come from thee
wasn't happy with it
stay with it
on second hand
bring it back to one night
we'll save for it
leave with it
don't be a better man
no harm can come to thee
wasn't happy with it
i had to break from breath of stone
would have been cold, unhappy then
but to break it from its mold
to lack the long unwavering
lean on a stand, my second chance
even, it's old and happy then
and to take it from his home
the lover we were torn from
stay with it
on second hand
bring it back to one night
gets outta line
leave with it
don't be a better man
no harm can come from thee
wasn't happy with it
on second hand
bring it back to one night
we'll save for it
leave with it
don't be a better man
no harm can come to thee
wasn't happy with it
the lover we were torn from
the lover we were torn from
the lover we were torn from
the lover we were
