

# Death

LANDMVRKS

Everyday I feel like, I feel like, I feel like  
Anxiety and stress, I'm fucked in the head, I feel like  
I feel like death

Everyday I feel like death, feel like death, feel like death  
Anxiety, depressed, I'm fucked in the head  
I feel like, I feel like death

Have you ever feel like you are never enough, yeah I have  
Every minute I'm expected to be perfect  
And you got me looking stupid like I'm someone I'm not  
I feel like calling it quit  
I feel enough is enough  
So I bottle it up and it feels empty too  
Nevertheless I'll never be like you  
Yeah, I know I'm aggressive, sick and tired, I'm wreck-less  
Yeah, this is the message, I hope it finds you too

Broken  
There a void in my chest, I'm  
Coping  
With the stress but I feel no  
Emotion  
I think it's safe to say we're not okay

I accept the fact that I feel like this  
Lost in the deep unknown  
Fuck em all, I won't be like them  
I'm living here all alone  
I expect the worst and I don't exist  
I'm somewhere I don't belong  
This is what it's like to be on my own  
I was never meant to feel I'm hollow

(Everyday I feel like, I feel like)  
Everyday I feel like death, feel like death, feel like death  
Anxiety, depressed, I'm fucked in the head  
I feel like, I feel like death

Everyday I feel like this, feel like this, feel like death  
There's a hole in my chest, I'm fucked in my head  
I feel like, I feel like death

Everyone I know is incomplete, I see it, I feel it too  
It seems so close yet out of reach, I need it, do you need it too?

Do you feel like this, do you feel like  
DEAAAAAATH  
DEAAAAAATH  
MATA  
I accept the fact that I feel like THIS

I'm lost in the deep unknown  
Fuck em all, I won't be like them  
I'm living here all alone  
I expect the worst and I don't exist  
I'm somewhere I don't belong

This is what it's like to be on my own  
I was never meant to feel I'm hollow

I'm lost in the deep unknown  
I'm living here all alone

Everyday I feel like, I feel like, I feel like  
Death

Everyday I feel like, I feel like, I feel like  
Death

Everyday I feel like, I feel like, I feel like  
Death

Anxiety, depressed, I'm fucked in the head  
I feel like, I feel like

Everyday I feel like, I feel like, I feel like death

I feel like death
