

Crashing

Landon Austin

Intoxicating your kiss
Intoxicating your lips
No body does it like this
I find it hard to resist, oh-oh
Feeling out of control, beautifully sold
What's coming over me?
It's a total eclipse of rationality

I don't usually say this
I don't usually play this game
Yeah, I know I'm not faded
But it kinda feels that way
I don't usually say this
But I think I should let you know
That baby, baby I don't, I don't wanna go

How can I go home
When I feel like I belong in your arms
It's like Champagne, feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight

Ooh-ooh
Ooh-ooh
Ooh-ooh
Oh-oh, so I'm crashing here tonight

Hey, are you really this good?
Damn, are you really this good?
Baby, you're just like a drug
I'd bottle you up if I could, oh-oh
Feeling out of control of your chemicals
What's coming over me?
It's a total eclipse of rationality

I don't usually say this
I don't usually play this game
Yeah, I know I'm not faded
But it kinda feels that way
I don't usually say this
But I think I should let you know
That baby, baby I don't, I don't wanna go

How could I go home
When I feel like I belong in your arms
It's like Champagne, feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight

Ooh-ooh
Ooh-ooh
Ooh-ooh
Oh-oh, so I'm crashing here tonight

How could I go home
When you're all I wanna know?
Come on, let me see your bed

It's too late for this to end
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight

How could I go home
When I feel like I belong in your arms
It's like Champagne, feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight

Ooh-ooh
Tonight
Ooh-ooh
I'm crashing here tonight
Ooh-ooh
Oh-oh, so I'm crashing here tonight
