

I Hate You I Love You / This Town

Landon Austin

Feeling used
But I'm
Still missing you
And I can't
See the end of this
Wanna feel your kiss
Against my lips

Waking up to kiss you and nobody's there
The smell of your perfume still stuck in the air

And now all this time is passing by
But I still can't seem to tell you why
It hurts me every time I see you
Realize how much I need you

And I want to tell you everything
The words I never got to say the first time around
And I remember everything
From when we were the children playing in this fairground
Wish I was there with you now

I hate you I love you
I hate that I love you
Don't want to, but I can't put
Nobody else above you
I hate you I love you
I hate that I want you
You want her, you need her
And I'll never be her

I miss you when I can't sleep
Or right after coffee
Or right when I can't eat
I miss you in my front seat
(In the pub that we met she's got her arms around you)
Still got sand in my sweaters
From nights we don't remember
Do you miss me like I miss you?
Messed around and got attached to you
(It's so hard)
Friends can break your heart too
I'm always tired, but never of you

If the whole world was watching I'd still dance with you
Drive highways and byways to be there with you
Over and over, the only truth
Everything comes back to you

You still make me nervous when you walk in the room
Them butterflies, they come alive when I'm next to you
Over and over, the only truth
Everything comes back to you

All alone I watch you watch her
Like she's the only girl you've ever seen
You don't care, you never did

You don't give a damn about me

All alone I watch you watch her
Like she's the only thing you've ever seen
How is it you'll never notice
That you are slowly killing me

I hate you I love you
I hate that I love you
(I drive highways and byways to be there with you)
I hate you I love you
I hate that I want you
(Everything comes back to you)

I hate you I love you
I hate that I love you
(Them butterflies, they come alive when I'm next to you)
I hate you I love you
I hate that I want you
(Everything comes back to you)

I hate you I love you
I hate that I want you
Them butterflies, they come alive
Everything comes back to you
