

I Want To Know What Love Is

Landon Austin

I've gotta take a little time
A little time to think things over
I better read between the lines
In case I need it when I'm older

Now this mountain I must climb
Feels like a world upon my shoulders
Through the clouds I see love shine
It keeps me warm as life grows colder

In my life there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
To change this lonely life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

I'm gonna take a little time
A little time to look around me
I've got nowhere left to hide
It looks like love has finally found me

Can't stop now, I've traveled so far
To change this lonely life

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me

I wanna know what love is
I want you to show me
I wanna feel what love is
I know you can show me
