

## Try Again

Landon Austin

You're my right girl but the time was wrong  
I know you know it's been way too long  
Whoa, did we ever really close the door, close the door?  
Forget everything that I said before, said before  
Girl, where you been? Girl, where you been?

I know we lost touch somewhere between  
Worried about us, worried about me  
Oh, do you think we can try again, try again?  
Oh, do you think we can try again, try again?  
And when you get up, gave up on me  
I know that I said, go ahead and leave  
Oh, do you think we can try again, try again?  
Oh, do you think we can try again, try again?

Oh no, you're my girl, you're my my  
You're my girl  
Oh no, you're my girl, you're my my  
You're my girl

I could never fall for someone new  
Without drinking, thinking about you  
Oh, did we ever really close the door, close the door?  
Forget everything that I said before, said before  
Girl, where you been? Girl, where you been?

I know we lost touch somewhere between  
Worried about us, worried about me  
Oh, do you think we can try again, try again?  
Oh, do you think we can try again, try again?  
And when you get up, gave up on me  
I know that I said, go ahead and leave  
Oh, do you think we can try again, try again?  
Oh, do you think we can try again, try again?

Oh no, you're my girl, you're my my  
You're my girl  
Oh no, you're my girl, you're my my  
You're my girl

I know we lost touch somewhere between  
Worried about us, worried about me  
Oh, do you think we can try again, try again?  
Oh, do you think we can try again, try again?
