

Why Do I?

Landon Austin

You waste my time
I'm wondering why do I, why do I

I never knew
That I could want someone like I want you
And I let you play me just like I'm the fool
I think that I should tell ya
I might have a few regrets

'Cause every day I never eat
And I hate breaking our plans, you told me you're free
And all of my friends, they don't believe
They don't believe
So tell me why do I

I gave you all my thoughts
Spent money I don't got
Can't even sleep at night
So tell me why do I
Keep giving all I have
You rarely call me back
With you I lose my mind
But tell me why do I

Still want you to be mine
I'm wondering why do I, why do I
Keep letting you waste my time
So tell me why do I

How could I ever stop?
Your body's lightning and I'm feeling struck
I crave the energy of every touch
I probably shouldn't tell ya
But I don't think I can get enough

Still every day I never eat
And I hate breaking our plans, you told me you're free
And all of my friends, they don't believe
They don't believe
So tell me why do I

I gave you all my thoughts
Spent money I don't got
Can't even sleep at night
So tell me why do I
Keep giving all I have
You rarely call me back
With you I lose my mind
But tell me why do I

Still want you to be mine
I'm wondering why do I, why do I
Keep letting you waste my time
So tell me why do I

I kinda think that you wouldn't notice
If I never called, yeah, if I stopped hoping

Starting to think maybe I should let you go

I gave you all my thoughts
Spent money I don't got
Can't even sleep at night
So tell me why do I
Keep giving all I have
You rarely call me back
With you I lose my mind
But tell me why do I

Still want you to be mine
I'm wondering why do I, why do I
Keep letting you waste my time
So tell me why do I
