

What Does Christmas Mean To Me

Landon Pigg

What does Christmas mean to me?
Making peace with moments passed
Bringing all those things to mind
That you know are gonna last
What does Christmas mean to me?
Going deeper with your brother
And the parents aren't so bad
You remember they were young
What does Christmas mean to you and me?

It's a place where we can smile
Be yourself for just a little while
And with any luck and awe
Your heart will hear the call
Of love, love
Of love, of love
