

# The Stretching Girl

Landon Tewers

I got sick  
I passed out  
I made a bet  
She got fucked, I got paid, I'm out of debt  
I've got my way of knowing things  
You've got your legs around his waist

I never felt so betrayed  
I never thought I'd be so trusting and I can see  
That this is all my fault

Every day you'll feel this restless ache  
You'll never get away from anything

He got shot  
He got picked  
He's cold and dead  
I got caught, I woke fast, I'm out of bed  
You should have waited longer  
Cause now I'm not scared to ruin you

I know that I'm the one to blame  
I never thought you'd be so easy  
And I can see that this is all my fault

Every day you'll feel this restless ache  
You'll never get away from anything

I hope the wheels on her car burst and leave her buried in the dirt  
I know it's wrong but I can't rest knowing she's alive and keeping busy
