

Run

Lane 8

I wanna run to you
Further I'm gonna find my way
I wanna run to you
Run till' I see your face

Run till' I see your face
Run till' I
Run till' I
Run till' I see your face

I wanna run to you
Further I'm gonna find my way
Run till' I
Run till' I
Run till' I see your face

I wanna run to you
Further I'm gonna find my way
I wanna run to you
Run till' I see your face

Run till' I see your face
Run till' I
Run till' I
Run till' I see your face

I wanna run to you
Further I'm gonna find my way
I wanna run to you
Run till' I see your face
Run till' I
Run till' I
Run till' I see your face
