

Wake Up

Lane 8

Only 'til it's midnight
Only 'til it's midnight

Wake up
Even though it's dark
Midnight waves up
Pulling under fears

We OK, love?
You still asleep?
Midnight waver
Pulling undersea

I still wake up
Even though it's dark
Midnight waves up
Pulling on the fears

We OK, love?
You still asleep?
Midnight waver
Got a hold on you
Got a hold on me

Only 'til it's midnight
Only 'til it's midnight
Only 'til it's midnight
Only 'til it's midnight

Wake up
Even though it's dark
Midnight waves up
Pulling on your fears

We OK, love?
You still asleep?
Midnight waver
Pulling undersea

I still wake up
Even though it's dark
Midnight waves up
Pulling on the fears

We OK, love?
You still asleep?
Midnight waver
Got a hold on you
Got a hold on me

Only 'til it's midnight
Only 'til it's midnight
Only 'til it's midnight
Only 'til it's midnight

Wake up
Even though it's dark

Midnight waves up
Pulling under fears

We OK, love?
You still asleep?
Midnight waver
Pulling undersea

I still wake up
Even though it's dark
Midnight waves up
Pulling on the fears

We OK, love?
You still asleep?
Midnight waver
Got a hold on you
Got a hold on me

Only 'til it's midnight
Only 'til it's midnight
Only 'til it's midnight
