

Better Man

Langhorne Slim

Some things make me so blue
Don't know what to do
Things don't turn out as planned
I wanna be a better man

Last day home today
Wish these tears would go away
I don't see any of you will understand
I wanna be a better man

When I come up to my brother
He lend me his hand
And when I come up to my mother
She says "Son, don't be sad
Life ain't long so do the best you can"
Oh, I wanna be a better man

I know that life is short
Know we can't stay long
But one thing's for sure
I know that I'll be strong

When I come up to my brother
He lend me his hand
And when I come up to my mother
She says "Son, don't be sad
Life ain't long so do the best you can"
Oh, I wanna be a better man
(Wanna be a better man)
(Wanna be a better man)

I know that life is short
Know we can't stay long
But one thing's for sure
I know that I'll be strong
