Engine 99

Langhorne Slim

We're gonna dive into cosmic waters
All the way down
Under the sea
With nowhere to be
And no one around

We're gonna take our time
We're gonna live our lives
Talkin' 'bout Engine 99

Engine 99
Engine 99
Engine 99
Engine 99

When the trumpets of sound
From the culture we're bound
Drowns our inner voice
Please don't despair
Just follow me there
It's our choice

And we're gonna take our time
We're gonna live our lives
Talkin' about Engine 99

There's an island where we can dwell
Throw our worries down the wishin' well

Ridin' on Engine 99
On Engine 99
On Engine 99
On Engine 99

We're gonna dive into cosmic waters
All the way down
Under the sea
With just you and me
And no one around

We're gonna take our time
We're gonna live our lives
Talkin' 'bout Engine 99

Engine 99
Engine 99
Engine 99
Engine 99
99

Engine 99
Engine 99
Engine 99
Engine 99

Engine 99
Engine 99

```
Engine 99
