

High-Class

Langhorne Slim

You can have lots of money
And all the stars above
But if you don't love nobody
You got no one to love

The dollar it ain't holy
It can't afford you truth
And if you don't love nobody
Nobody's loving you

You can spit-shine your diamonds
Get a big ol' swimming pool
But if you ain't got no one to climb in with
You're just another lonely high-class fool

You can get tied like a mummy
Down at some fancy club
But you'll be feeling like a dummy
If you ain't got no one to love

The dollar it ain't holy
It's just a dirty paper note
And if you don't love nobody
You'll be lonely as a ghost

You can spit-shine your diamonds
Get a big ol' swimming pool
But if you ain't got no one to dive in with
You're just another lonely high-class fool

Sha na na na, sha na na na na
Sha na na na, sha na na na na na

You can spit-shine your diamonds
Get a big ol' swimming pool
But if you ain't got no one to dive in with
You're just another lonely high-class fool

Sha na na na, sha na na na na
Sha na na na, sha na na na na na
