

## Lord

Langhorne Slim

This life goes on since you've left me  
But Lord, it don't need to  
And I'm just thinking about you, gal  
As you forget me  
You were my only truth

And I'm wondering  
How I could have been so taken  
Mistakin' our love for blood  
Seems I was fakin'

A man's heart is his own  
And only he can break it  
I'd start all over alone  
If only I could take it

Now time takes its time to pass on by me  
You won't find me in no places of old  
In my mind, gon' rewind the times of you smiling  
Darling, it's a crime you left me so cold

And I can't trust myself  
With this hell I am accepting  
I stumbled and I fell  
Still hoping you'd come protect me

I tried to forget you  
That was just a reminder  
You've turned a world full of shit  
And made it a little bit kinder

So take my breath, God, take it away  
Goodbye take it  
'Cause know lord what was saved  
To think that it is you, God  
That fools kneel and pray  
That I found my true love  
Now she's buried away
