

Mississippi

Lansdowne

Come on, come on, come on! (oh yeah)
Come on, come on, come on! (oh yeah)
Should've known that's better not to mess with the law,
But it feels so right just to be so wrong,
Every city's got a scar with a She-Devil's name,
I'm a fighter living like the world's on fire.
So come on, come on, come on and let's ride,
Shotgun sitting on the darker side.
Come on, come on, come on and don't stop,
Pedal to the floor, can't get enough.

Maybe it's too late for me, but I guess we'll see,
So let's ride!

My only weakness is I'm falling to pieces,
But I'm learning to pick myself up.
I like cold hard steel, something I can feel.
It's on to Mississippi,
Let's go to Mississippi right now.

I've got Mississippi sitting in the rearview now,
.45 in hand, I'm a bad, bad man.
Did a little too much sinning in that one horse town,
Shameless, got more stories than Vegas.
So come on, come on, come on and let's ride,
Shotgun sitting on the darker side.
Come on, come on, come on and don't stop,
Pedal to the floor, can't get enough!

Maybe it's too late for me, but I guess we'll see,

So let's ride!

My only weakness is I'm falling to pieces,
But I'm learning to pick myself up.
I like pretty little girls and money in this world,
Cold hard steel, something I can feel.
So if you want the money,
get a little dirty right now!

So take off your uniform and throw it on the floor,
Those handcuffs you've been handling,
You can check at the door.
It's an ugly world with pretty little girls,
I love it when you take it too far.
Grabbing the headboard,
Or bentover the hood of my car.

I was ditching blue lights,
She'd been hitching all night.
Right thigh out like a welcome sign,
I said, "You need a ride?",
She said she wanted to drive,
Damn right, girl's got an appetite.
She said, "Maybe it's too late for me,
But I guess we'll see so let's ride".

My only weakness is I'm falling to pieces,
But I'm learning to pick myself up.
I like pretty little girls and money in this world,
Cold hard steel, something I can feel.
So if you want the money, get a little dirty ,
right now.

Ooh, I'm a bad, bad man (bad, bad man) .
