

# Heartbreak Can Wait

LANY

Heartbreak can wait  
'Cause I'm too scared to let you go  
Yeah I know I gotta do this  
But I'm making up excuses  
Not to be alone

Still haven't made it up the PCH  
Still haven't kissed you in the pouring rain  
Birthday 'round the corner, couple weeks away  
So I'm holding on

Things are going good but they're not going great  
You've been working hard and I've been working late  
The words that I've been thinking I don't really wanna say  
So I'm holding on

Heartbreak can wait  
'Cause I'm too scared to let you go  
Yeah I know I gotta do this  
But I'm making up excuses  
Not to be alone

Heartbreak can wait  
But I don't wanna waste your time  
So I'm 'a take your hand and hold it  
Like I'm never letting go  
Before I say goodbye

Heartbreak can wait

Haven't slept a second in the last seven nights  
Living in my head, I'm rehearsing every line  
I know that there's no way that we're not gonna cry  
So I'm holding off

Desperate for my soul to softly say  
It's OK to stay a few more days

Heartbreak can wait  
'Cause I'm too scared to let you go  
Yeah I know I gotta do this  
But I'm making up excuses  
Not to be alone

Heartbreak can wait  
But I don't wanna waste your time  
So I'm 'a take your hand and hold it  
Like I'm never letting go  
Before I say goodbye

Wait a second, I feel like my stomach's in my throat  
Why is it the ones you love, the ones you hurt the most  
Went as far as I can run but now I'm out of road  
I gotta let you know, I gotta let you know

Wait a second, I feel like my stomach's in my throat  
Why is it the ones you love, the ones you hurt the most

Went as far as I can run but now I'm out of road  
I gotta let you know, but

Heartbreak can wait  
'Cause I'm too scared to let you go  
Yeah I know I gotta do this  
But I'm making up excuses  
Not to be alone
