LANY

Got me in the palm of your hand  
Kind of love even gods don't understand  
A story they'll tell for ages  
Written in every language  
Got me in the palm of your hand  
Hope I always am

Not a star in the sky that I wouldn't catch  
I would burn down the world if you wanted it  
Not a secret I wouldn't hide  
Not a song that I wouldn't write  
Not a part of my heart that I wouldn't share  
Baby, if you didn't know, now you know there's nothing I wouldn't do  
I can't say "No" to you

It's the way that you look all the time  
It's a beautiful blur with you by my side  
A story they'll tell for ages  
Written in every language  
It's the way that you look all the time  
'Til the day I die

Not a star in the sky that I wouldn't catch  
I would burn down the world if you wanted it  
Not a secret I wouldn't hide  
Not a song that I wouldn't write  
Not a part of my heart that I wouldn't share  
Baby, if you didn't know, now you know there's nothing I wouldn't do  
I can't say "No" to you

There's no way I could ever say "No" to you  
There's no way I could ever say "No" to you

Not a star in the sky that I wouldn't catch  
I would burn down the world if you wanted it  
Not a secret I wouldn't hide  
Not a song that I wouldn't write  
Not a part of my heart that I wouldn't share  
Baby, if you didn't know, now you know there's nothing I wouldn't do  
I can't say "No" to you

There's no way I could ever say "No" to you  
There's no way I could ever say "No" to you
