LANY

I bought that pillow on the couch 'cause it reminded  
Me of the colors on your wall I thought you'd like it  
I don't want this to be my last time in this apartment  
Ooh

You took a day and made some space for me to move in  
Said I could take the bottom drawer so that's what I did  
You told me I was all you want so now what's changed it?  
Ooh

Is it wrong to think you're sadistic?  
I know you're sleeping perfect  
While I'm over here hurting

I'm gonna be okay  
Right?  
I'm gonna be okay  
Right?  
I wish I could tell myself that at night  
I'm gonna be okay, right?

Don't check my phone  
I know for sure you haven't called me  
I fill my days with stupid shit to keep me busy  
Instead of you I'm ending every night with whiskey  
Ooh

Is it wrong to think you're sadistic?  
I know you're sleeping perfect  
While I'm over here hurting

I'm gonna be okay  
Right?  
I'm gonna be okay  
Right?  
I wish I could tell myself that at night  
I'm gonna be okay, right?  
If I go insane  
(If I go insane)  
I got you to blame  
(I got you to blame)  
At least that's what I tell myself at night  
I'm gonna be okay, right?  
(I'm gonna be okay)

Ooh  
I kinda knew this would hurt just a little too much  
Ooh, ooh  
I kinda knew this would hurt just a little too much

I'm gonna be okay  
Right?  
I'm gonna be okay  
Right?  
I wish I could tell myself that at night  
I'm gonna be okay, right?  
If I go insane

(If I go insane)  
I got you to blame, right?  
(If I, if I)  
At least that's what I tell myself at night  
I'm gonna be okay, right?  
(I'm gonna be okay)  
(Right, right)
