LANY

[Phone Call]

Oh my gosh! This is mom! I was just wonderin' how you and Paul and Les are doing on writing a new song or three for LANY. So.. . cause, Paul got there yesterday, so I would suspect that y'all have already gotten one song written. So... wondering about that song, and if you're already on the second one. So I am just curious. I wanna hear about it. Can't wait. I'm sure one of em has got to be devoted to-"I dedicate this song to Susan Goss." Yes, I'm sure of it. I'm just sure of it. If y'all haven't done that yet, I know you mean to!
