

Parents

LANY

Oh my gosh, Jake! I just saw that posting on Instagram and saw the picture of your new tattoo with a heart and the word "Parents" in it! Oh my gosh I loved it five times and beyond and I finally saw it and posted and I reposted it on my feed on Instagram. Oh, Jake, I love it! It's the sweetest thing I've ever seen in my entire life! I love you, Jake, that is the cutest thing, and you put it forever on your arm—"Parents," that's what you put on your arm. That's the sweetest thing. I'm gonna have to get another tattoo that has a heart and "Jake" in the middle. But anyway, uh, I'll think about that. But, I love you, Jake. That is the sweetest thing. Parents! Parents! Oh God, love you. Okay, I can't wait for you and Mariah to come to Arkansas so we can hug your neck. Okay, love you, bye bye
