

I've never been so high  
From sitting here just looking at you  
I'm swimming in your eyes  
I'd let you drown me if you want to  
You're the only light  
Left in the room  
How is it that I  
Get to be the one that gets to?

Take you upstairs  
Closer to heaven  
Tell you how beautiful you are  
Lips like a prayer  
Undone in your presence  
Worship your body in the dark  
You're so soft  
Nothing about you ever hurts me  
You're so soft  
I'm a lover at your mercy

The way you say my name  
The way you're taking off my t-shirt  
I want you every day  
The way I wouldn't change a thing  
About my baby girl  
How is it true  
That there's a whole world  
But I'm the only one that gets to

Take you upstairs  
Closer to heaven  
Tell you how beautiful you are  
Lips like a prayer  
Undone in your presence  
Worship your body in the dark  
You're so soft  
Nothing about you ever hurts me  
You're so soft  
I'm a lover at your mercy

You're so soft  
Nothing about you ever hurts me  
You're so soft  
I'm a lover at your mercy
