No Problem (Self Talk)

La'Porsha Renae

Hey girl, I might too emotional
'Cause he said that I'm emotional
Is he crazy? He think that I don't know what I know?

Yeah, he been lying, he been lying, he been lying, he been lying, he been lying to my face
He been trying, he been trying, he been trying, he been trying to put it all on me
But I ain't crying, I ain't crying, I ain't crying, I ain't crying over this fool
'Cause I know that tough
Girl, you know what I'm gon' do

It's no problem
I'll be fine all by myself, you'll be fine all by yourself, hey
It's no problem
I'll just find somebody else, yeah, I'll find somebody else

It's no problem, it's no problem
You'll get lost in what he wanna
It's no problem, it's no problem
You'll get lost in what he wanna do

Hey girl, you better walk alone
And you caught it a long time ago
I shoulda listen, you wouldn't steer me wrong
And he was doing wrong

Yeah, he been lying, he been lying, he been lying, he been lying, he been lying to my face
He been trying, he been trying, he been trying, he been trying to put it all on me
But I ain't crying, I ain't crying, I ain't crying, I ain't crying over this fool
'Cause I know that tough
Girl, you know what I'm gon' do

It's no problem
I'll be fine all by myself, you'll be fine all by yourself, hey
It's no problem
I'll just find somebody else, yeah, I'll find somebody else

It's no problem, it's no problem
You'll get lost in what he wanna
It's no problem, it's no problem
You'll get lost in what he wanna do
It's no problem, it's no problem
You'll get lost in what he wanna
It's no problem, it's no problem
You'll get lost in what he wanna do

I'm not the girl, that's gon' be like whatever
Let him run over me, no, maybe never
Now he can't stop me, 'cause now he don't matter
He had a chance, next time he should do better
Oh, I'm fine with him leaving, just tell him he's all on his own
I guess that he's not the guy I thought that he would be

It's no problem, it's no problem
You'll get lost in what he wanna
It's no problem, it's no problem
You'll get lost in what he wanna do

It's no problem, it's no problem
You'll get lost in what he wanna do
