

Angeles

Låpsley

Lonely
Angeles, I'm lonely
City of the lonely
Take me back, I'm lonely

It's a grand theft
Driving round the city
Cars glittering the roads
Past pylons
Streets of a bygone
Not seen stars in a long time lately
Only in the hills but the wrong kind

Take me back
Take me back

How far
Tell me, tell me how far
Tears on the asphalt sidewalk
Fast and the fury

Lonely
Angeles, I'm lonely
City of the lonely
Take me back, I'm lonely

It's a grand theft
Driving round the city
Cars glittering the roads
Past pylons
Streets of a bygone
Not seen stars in a long time lately
Only in the hills but the wrong kind

Take me back
Take me back
Take me back
Take me back

Lonely
Angeles, I'm lonely
City of the lonely
Take me back, I'm lonely

How far
Tell me, tell me how far
Tears on the asphalt sidewalk
Fast and the fury

Lonely
Angeles, I'm lonely
City of the lonely
Take me back, I'm lonely
