

## Burn

Låpsley

Turn over, so turn over  
Don't look back over your shoulder  
Turn over, so turn over  
Don't look back over your shoulder

You maybe be the one that I've chosen  
It's gonna burn if we get closer  
You maybe be the one that I've chosen

You maybe be the one that I've chosen  
It's gonna burn if we get closer  
You maybe be the one that I've chosen

But this love is leaving me frozen  
(Don't look back over your shoulder)

I'm thinking about the future  
I'm thinking about the  
I'm thinking about long term  
I'm thinking about the future  
I'm thinking about the  
Turn over, so turn over  
Don't look back over your shoulder

You maybe be the one that I've chosen  
It's gonna burn if we get closer  
You may be be the one
