

It's hard to remember how it felt before  
Now I've found the love of my life  
Passes, things get more comfortable  
Everything is going right

And after all the obstacles  
It's good to see you now with someone else  
And it's such a miracle that you and me are still good friends  
After all that we've been through  
I know we're cool

And we used to think it was impossible  
Now you call me by my new last name  
Memories seem like so long ago  
Time always kills the pain

Remember Harbor Boulevard?  
The dreaming days where the mess was made  
Look how all the kids have grown  
We have changed, but we're still the same  
After all that we've been through  
I know we're cool
