

It only takes one man to fall
My leaves fall
It only takes one man to fall
My leaves fall
It only takes one man to fall

Take it from my garden
I'll infinitely grow
It only takes one man to fall
My leaves fall

Write it on my body
Flowers in the snow
It only takes on man to fall
My leaves fall

Does he give more than he takes away? (Yes)
Does he say thanks before he walks away? (Yes)
Do you give more when he takes away? (Yes)
Do you say thanks when he walks away? (Yes)
Does he love pain like he's never lost? (Yes)
Does he love now that the daylight lost? (Yes)
Do you take loans to pick up the cost? (Yes)
Do you think sex is a game of trust?

Take it from my fountain
Let the water flow
It only takes one man to fall
My leaves fall

Tease him in the orchard
Apples in the snow
It only takes one man to fall
My leaves fall

Does he give more than he takes away? (Yes)
Does he say thanks before he walks away? (Yes)
Do you give more when he takes away? (Yes)

It only takes one man to fall
My leaves fall
It only takes one man to fall
