

Dance Under the Rain

Lara Fabian

I don't want to wait
I don't want to wait
I don't want to wait
I don't want to

I got learn to dance under the rain
I got learn to dance

Instead of waiting for the sunshine
Learn to dance under the rain
Instead of waiting for the sunshine
Learn to dance under the rain

I don't want to wait
I don't want to wait
I don't want to wait
I don't want to

I got learn to dance under the rain
I got learn to dance

Instead of waiting for the sunshine
Learn to dance under the rain
Instead of waiting for the sunshine
Learn to dance under the rain

I got learn to dance under the rain
I got learn to dance

Instead of waiting for the sunshine
Learn to dance under the rain
Instead of waiting for the sunshine
Learn to dance under the rain
