Theme from Mahogany

Lara Fabian

Do you know where you're going to? Do you like the things that life is showing you? Where are you going to? do you know? Do you get what you're hoping for? When you look behind you there's no open door What are you hoping for? Do you know?

Once we were standing still in time Chasing the fantasies that filled our minds You knew i loved you, but my spirit was free Laughing at the question that you once ask me

Do you know where you're going to? Do you like the things that life is showing you? Where are you going to? do you know?

Now, looking back in all we pass We've let so many dreams just slip through our hands Why must we wait so long before we see How sad the answers to those questions can be?

Do you know where you're going to? Do you like the things that life is showing you? Where are you going to? do you know? Do you get what you're hoping for? When you look behind you there's no open door What are you hoping for? do you know?
