

Lay Around And Love On You

Lari White

Monday mornin', six A.M
Time for me to go to work again
But all I want to do is
Lay around and love on you
Seven thiry, but I don't care
What you're doing is gonna keep me here
'Cause all I want to do is
Lay around and love on you

Lay around and love
Lay around and love on you
You've got me so turned on
Honey, I can't turn you loose
Hope nobody calls
Got the phone off the hook
We're gonna try everything in the book
All I want to do is
Lay around and love on you

Lay around and love
Lay around and love on you
You've got me so turned on
Honey, I can't turn you loose
It's so much fun just foolin' around
I'm gonna be here when the sun goes down
'Cause all I want to do is
Lay around and love on you
Yeah, all I want to do is
Lay around and love on you
